**Last Call for the 15th International Scientific Conference on Economic and Social Development Human Resources Development**

Last Call for the 15th International Scientific Conference on Economic and Social Development Human Resources Development – Topics are focused, not limited, on recent challenges for modern national economies and business enterprises as well as on HRM. Please, consider submitting the abstract/paper for the Conference. We proudly hope to have your distinguish name among authors and participants. Our scientific books of proceedings are indexed in WoS CPCI, ProQuest and EconBiz. Our delegates have opportunity for further publishing with several journals:
